MEMORANDUM FOR SEE DISTRIBUTION

Subject: Commander's Policy Statement on Sexual Harassment

1. I am firmly committed to the Army's policy against sexual harassment and I reaffirm the Army's position that sexual harassment will not be tolerated.
2. Sexual harassment is a form of gender discrimination that involves unwelcome sexual advances, request for sexual favors, and other verbal or physical conduct of a sexual nature when -
 - a. Submission to, or rejection of, such conduct is made either explicitly or implicitly a term or condition of a person's job, pay, career or
 - b. Submission to, or rejection of, such conduct by a person is as a basis for career or employment decisions affecting that person, or
 - c. Such conduct has the purpose or effect of unreasonable interfering with an individual's work performance or creates an intimidating, hostile or offensive working environment.
3. Any person in a supervisory or command position who uses or condones implicit or explicit sexual behavior to control, influence, or affect the career, pay, or job of a Soldier or civilian employee is engaging in sexual harassment. Similarly, any Soldier or civilian employee who makes deliberate or repeated unwelcome verbal comments, gestures, or physical contact of a sexual nature is engaging in sexual harassment.
4. I strongly encourage any individual who feels that they have been the victim of sexual harassment to process their complaint through the unit chain of command. However, if an individual feels uncomfortable in filing a complaint with his/her unit chain of command, or if the complaint is against a member of the chain of command, complaints of sexual harassment may be filed with someone in a higher echelon of the complainant's chain of command, an Equal Opportunity Advisor, the Inspector General, the Chaplain, the Provost Marshal, medical agency personnel, the Staff Judge Advocate, or the Chief, Community Housing Referral and Relocation Services Office.
5. Individuals who file complaints of sexual harassment will be protected from acts or threats of reprisal.
